

Krewe King and Queen selection (12/21)

Being selected to represent the Krewe de Tigris as the year's King and Queen is an honor to be earned. It is not a selection based on a popularity contest.

The Board of Directors will accept nominations from any Krewe member during the calendar month of March, and after considering all nominations will narrow those to 3 qualifying candidates for King and 3 qualifying candidates for Queen one week after the conclusion of the Mardi Gras season. The names and final 3 candidates for each category will then be sent out to the Krewe at large via electronic medium (such as Survey Monkey) for final voting over a one-week period in the last week of April. This responsibility to hold the information as confidential until the Kentucky Derby party will lie with the president.

Nominees are required to be:

- At least 21 years of age
- Be an active Krewe member in good standing
- Have been active for a minimum of 2 consecutive years

The selection will be based on the following:

- Number of nominations
- Number of years in good standing as a member of the Krewe de Tigris
- Participation and/or contribution in time/talent/finances to the efforts of a committee or the Krewe at large.

Krewe King/Queen nomination by (Krewe member name) _____
